ABOUT

The Vivekalaya Group of Institutions is the parent group that has now added its newest stream of the Central board syllabus (CBSE) through Vichara world school. The group, founded in 1989 has shaped the educational environment of Coimbatore for almost three decades. The group's first foray into education was through Vivekalaya's nursery, which grew to become Vivekalaya Matriculation Higher Secondary School.

HOLISTIC

LEARNING

Vichara World School has been created to offer young minds a blend of traditional Indian values in a fast growing new Indian environment. Steeped true in the Vivekalaya Group's philosophy, Vichara ranks development of body, mind and character equally with academic learning. Supported by a trained and excellent teaching faculty, Vichara brings the best academic heads, mentors, teachers and support staff to a school based setting. Dance, music, yoga, karate, self-defence and life skills are all part of the curriculum at Vichara world school. Students have a chance to engage in their favourite sport or hobby through the various clubs and after school activities at campus.

OUR Mision

Our Vision is to empower students through a holistic learning experience to set goals, to make the right choices, grow and develop integrally, to maximize their potential, to become responsible citizens and contribute to society in a positive manner.

LOCATED IN THE HEART OF THE CITY, VICHARA OFFERS A SAFE & SECURE TRANSPORTATION FACILITY FOR STUDENTS.
